

# TECHNICAL DATA SHEET

## ANTI MOSQUITO

### DESCRIPTION

Ready for use. Liquid detergent for windscreen washer for vehicles with anti-mist and degreasing properties. Is a special summer-friendly liquid with anti and gnat-removing action, ideal for a perfect degreasing of the car's windshield. It removes all kinds of dirt: grease smog, dust, insects, without leaving streaks. It gives a clear and perfect visibility. Does not affect rubber, paint or plastics.

### APPLICATIONS

For use as a windscreen wiper and washer fluid and also in headlamp washer tanks. It can be used not only on windows and windshields but also on polycarbonate normally used for car headlamps

### BENEFITS

- ✓ Fast moving of insects residues
- ✓ Improves the visibility
- ✓ Longer cleanness effect
- ✓ Cleans the windscreen without leaving streaks

### USE DIRECTION

Pour the contents of the package in the washer fluid tank and fill with water. One 250 ml bottle is sufficient for 10 l of water.
